***Minutemen United*** is a group of men and women dedicated to creating an environment where Christian thoughts, ideals and leaders can regain traction in the marketplace of ideas. We hail from New York to California and are headquartered in Ohio "the heart of it all."

We recognize and honor those brave souls who prayed, lived and died for our Constitutional Republic. We believe the founding fathers "got it" when they created a ruling document and supporting instruments that serve and undeniably recognize our creator -- the God of Abraham, Isaac and Jacob.

*"It cannot be emphasized too strongly or too often that this nation was founded, not by religionist, but by Christians, not by religions, but by the gospel of Jesus Christ!"*

-Patrick Henry

## **NO JUSTICE NO PEACE**

Over the past several decades there has been a concerted effort to remove from our Blessed Country the "intent" of our founding fathers. These God fearing pioneers and their families knew from experience that "*When the righteous are in authority the people rejoice but when the wicked man (humanist) rules the people groan.*" (Proverbs.29-2)

Our Founders were also aware that the constitution was "made *only for a moral and religious people. It is wholly inadequate to government of any other.*"

- John Adams

## **Our Mission - Minutemen United**

To unite and mobilize God-fearing Americans as an effective, recognized force dedicated to restoring and upholding our Judeo-Christian values as the bedrock of this distinctly American culture. America is at the crossroads. The enemies of God are relentless in their attack. Paul warns us that "Faith without works is dead." (Rom. 3:28) For too long Christians have been reactionary, sticking our thumbs in the dike when the enemy attacks. The Minutemen are a proactive network of believers, ready at a moment's notice to do battle for the cause of Christ.

*We are covered by prayer, lead by example and are prepared to respond at a moments notice*

### **Leadership**

#### **-Coach Dave Daubenmire**

Dave Daubenmire, a veteran 25-year high school football coach, was spurred to action when he was sued by the ACLU in the late 1990's for allegedly mixing prayer with his coaching. After a two-year battle for his 1st amendment rights and a determination not to back down, the ACLU relented and offered coach an out of court settlement. God honored his stand and the ACLU backed off.

As a result of the experience, Coach Dave heard the call to move out of coaching a high school team, to the job of *coaching God's team*. A nonprofit ministry called Pass the Salt was formed and the *Coach* set out to encourage and motivate the Body of Christ to step into the cultural war. Not long after, in 1999 a Saturday talk radio program was born, broadcasting all over the state of Ohio from Columbus on AM 880 WRFD.

## **The Minutemen**

In the spring of 2002, Coach Dave was encouraged to help form an organization that would support others and take the lead on critical cultural issues. A few months later, over 50 men gathered together for a weekend boot camp and Minutemen United was born.

Since that time the Minutemen have been involved in numerous battles which include successfully lobbying a regional grocery store to remove "entry-level porn" magazines from their shelves, defending a local Pastor from a zoning board that was trying to prevent him from distributing food to millions of the poor across the country and aiding a local Columbus community in ousting a homosexual bathhouse from their neighborhood.

The Minutemen were there to protest the removal of the Ten Commandments in Adams County, Ohio and traveled to Montgomery Alabama to stand along side Judge Roy Moore

### **Isn't it time for you to get into the game with the coach and the minutemen?**

Your commitment to the Minutemen Team can be manifested at a number of levels; from basic financial support, to support where you work within your church or community, to assistance you might lend to state and national issues. Let us know how you can help!

For more information on joining the team write us/call us/or e-mail us.
