

OPERATION SAVE AMERICA NATIONAL EVENT

Operation Save America unashamedly takes up the cause of pre-born children in the name of Jesus Christ. We employ only Biblical principles: the Bible is our foundation, the cross of Christ is our strategy, the repentance of the Church of Jesus Christ is our ultimate goal.

"My church and I make the OSA summer event our mission trip. These events have matured and strengthened our gifts and filled us with a passion for Christ." Pastor Bill Shanks, New Covenant Fellowship, New Orleans, Louisiana

"Pro-life Christians in America stand, in a long tradition---both Christian and American---that calls them to rally in the face of injustice, and to come out into the public place to stand for what is right. Please join me and many others for the events of OSA!" Father Frank Pavone, Priests for Life

"Every year my wife and I bring our children, and now our grandchildren, to the OSA national event. It has been a life-changing experience for our family." Tom McGlade, Bradenton, Florida

"OSA's message to the youth of this generation has awakened their zeal to live for God and to stand up and stand out for Him. Being involved in the pro-life movement has increased faith and focus in many young people's lives." Pastor Keith Tucci, Team Redeem, Youth Ministry Team

"OSA has been instrumental in bringing me and many others to the love, forgiveness and hope offered by Jesus Christ. We were "Won by Love." Norma McCorvey, Jane Roe of Roe v. Wade, Crossover Ministries

The Second American Revolution

In the midst of a sin-sick world, we are called to be men and women of the gentle revolution. We are called to embrace the Truth and to fight for the hearts and minds of a lost generation. We are called to take the Gospel of Jesus Christ to the very gates of hell.

We cannot continue to be silent; we cannot continue to choose comfort and ease at the expense of the souls of men and the dismembered bodies of pre-born babies. We cannot isolate ourselves in our homes and churches while our nation is made blasphemous before Almighty God.

"There can be no more compromise, no more common ground. It is time to take up the cross of Christ. It is time to lay down our lives for others." *Pastor Flip Benham*

The power of God took a few failing, fearful disciples and used them to stir the uttermost parts of the earth! Are we willing to take up the cross and sacrifice our complacency? It all depends on our obedience to Christ and action to His Word.

**OPERATION SAVE
AMERICA**

July 17-24, 2004

**The Spirit of Elijah is sweeping
across the nation calling the
fathers to the children and the
children to the fathers.
Malachi 4:6**

THE VISION

The *Second American Revolution* to restore our Christian heritage has begun. The trumpet has sounded. God is calling His Church to the battle. In the day of Elijah, God called His people to Mount Carmel. Elijah stood before the people and proclaimed, *"If the Lord is God, follow Him; but if Baal is God, follow him."* 1 Kings 18:21

We will be proclaiming from this day forward that Jesus Christ is Lord. It is to Him alone that we owe our allegiance.

We have allowed our Christian heritage to be stolen from us by false prophets. The very foundations of our faith are being removed from our children and our nation:

- **Engle vs Vitale** (removed prayer from school)
- **Abington vs Schemp** (removed the Bible from school)
- **Roe vs Wade** (decriminalized abortion)
- **Stone vs Graham** (removed Ten Commandments from school)
- **Planned Parenthood vs Casey** (declared that man can determine his own reality)
- **Lawrence vs Texas** (declared that homosexuality is a constitutional right)

Jesus proclaimed His Kingdom by saying, *"Repent and believe in the good news."* Mark 1:15. We will be coming with our faces low to the ground, believing that Jesus can restore our land, and believing the Ohio State motto which says: **"With God all things are possible."**

THE MISSION

God is calling his people to take a stand. He is calling pastors, churches, families, youth groups, and ministries to come out of the closet and allow the theology of the church house to become biography in the streets of Columbus, Ohio.

As the prophet Elijah called down fire from heaven, we will be calling down the fire of God's Spirit to turn us back to Him with all of our heart!

What to expect:

Solemn assembly

24 hour intercessory prayer

Ecclesiastical court

Memorial service

Public witness and displays

Sidewalk counseling

Youth training and activities

Family day at abortion mill

Nightly rallies

When words fail, God speaks through "living parables." Beginning in March, OSA will be walking across America with a prophetic warning – The killing of God's babies in the womb must cease or we will face the increased judgment of a Holy God. The constant threat of terrorism upon our soil and the erosion of liberties is clear evidence of God's displeasure with America. God is using a sign of peace found in Zechariah (a donkey) and a symbol of judgment found in Revelation (a white horse) to warn our nation and to call Christians to come to Columbus, Ohio.
